

We are pleased to announce that B&D Flavours has been certified organic by Oregon Tilth Certified Organic (OTCO), as of May 29, 2008.

While our library of certified organic Flavours continues to grow rapidly, we will continue to accept custom Flavours projects for any food, beverage or pharmaceutical application.

As consumer demand continues to grow for organic products, B&D Flavours has committed R&D resources to this division working exclusively to create highly concentrated and cost-efficient Flavours solutions.

**Many organic flavors available, these are a few from our product offerings:**

- Cherry Chocolate Type
- Orange Extract
- Cappuccino Type
- Coffee
- Coffee-Espresso Type
- Hazelnut Type
